U3A stands for 'University of the Third Age'. U3A provides the pleasure of learning for retired people who wish to keep active minds.

Through its learning groups, U3A Manawatu provides opportunities for reading, research, discussions and field trips. The atmosphere for learning is informal and friendly. There are no compulsory activities or examinations, and costs are minimal. Meetings are held in private homes, libraries, community centres, art galleries etc.

Annual membership costs \$15 (or \$25 for a couple) and provides access to the learning groups listed overleaf, subject to places being available. Note that some groups incur small charges for venue hire, materials, etc. Members receive a free newsletter four times a year in addition to information on the learning group programme and seminar series.
