

## **AN INVITATION**

to all Members of U3A Manawatū to attend the 24<sup>th</sup> Annual  
Celebration of continuous broadcasting from the Gramophone Room  
F.M. Radio Station

---

The doors will be open for the day from 10 am on Monday 23<sup>rd</sup> January 2023 (contact John for the venue) and you may linger as you wish with a tea or coffee and a serving of celebration cake. I am most interested to discuss your requests of programming and remarks in your reception of the radio service and help with any issues – service is totally free.

Two new programmes will commence on this week, and I would like to discuss with any listener, a preference of a reception time for each.

1. The handy time for a laugh with the 'Goonies', 'Hancock's Half Hour' and mainly BBC British comedy.
2. A full classical opera only through the knowledge of Daphne Kyne who is featured by her personal renditions of the précis to some seven hundred works in the collection, as they were played every evening for many years. It is time now to relive these grand musical events.
